

6025 Stage Rd STE 42-306, Bartle

This is the pen point and the satellite view., but when you go to the street view (below) you then see the actual address matches the UPS store door address.

**FMCSA** requires the authority process agent to state where they maintain a physical office / physical address to identify where their safety records are stored. **This cannot be a mailing address because when the FMCSA wants to do a safety audit, this is the address they'll show up at.**
